LIGHT, STONE AND SEA IN THE MOST SECRET GREECE

ITINERARY – INTEGRATED MICE

DAY 1 – SECRET EPIRUS: COHESION BETWEEN STONE AND SILENCE

The journey begins in the **Pindos Mountains**, in the stone villages of **Zagorochoria**. In a former school transformed into a creative workshop center, participants work on their business vision in a setting balanced between nature and tradition. After lunch in an authentic tavern, the group sets out on a guided hike across Ottoman bridges and the **Vikos Canyon**, one of the deepest gorges in the world. In the evening, they enjoy a local cuisine tasting around the fire in a charming guesthouse.

DAY 2 – HIDDEN METEORS: WORKSHOPS SUSPENDED BETWEEN EARTH AND SKY

We reach **Thessaly** and, leaving the beaten track, we reach one of the lesser-known Meteora, like **Ypapanti** or **Agios Nikolaos**. Here, in a panoramic space nestled in the rock, a "suspended in time" strategy session takes place, where every word resonates in silence. After a light lunch of monastic products, the team sets off on a symbolic climbing experience, where trust and coordination are key. In the evening, dinner is enjoyed among the olive trees in the **Kalampaka Valley**.

DAY 3 – CENTRAL GREECE: SUSTAINABILITY IN THE MOUNTAINS AND AMONG THE GRASSES

Heading south, toward the **Karpenisi Mountains**, the green and forgotten heart of mainland Greece. Here, the group takes part in a team-building workshop on a holistic farm, where they learn how to distill essential oils from local herbs. Relaxation and reflection take place in stone huts nestled in chestnut woods. After a foraged lunch, they hike to a small waterfall for a moment of shared experience. They spend the night in a quiet eco-lodge.

DAY 4 – IKARIA ISLAND: SLOWNESS, COMMUNITY, AND RENEWAL

A domestic flight takes us to **Ikaria**, the island of longevity and dilated time. Far from mainstream tourism, the group discovers the ancient art of "panigiri" (collective feast) through a workshop with local elders. They enjoy lunch together at long outdoor tables, where slowness becomes a tool for listening. In the afternoon, a team-building session on the beach with moments of individual reflection followed by group activities. At sunset, they bathe in the natural hot springs overlooking the Aegean Sea.

DAY 5 – WILD CRETE: STRATEGIC VISIONS IN PRIMEVAL LANDS

The final stop is in southwestern **Crete**, in the mountainous region of **Sfakia**, reached by boat along a rugged and remote coast. The team is welcomed into a restored Venetian residence, now a space for strategic meetings. Future scenarios are explored on terraces overlooking Africa, alternating moments of collective analysis and writing with walks along paths leading to deep gorges and forgotten monasteries. The closing dinner takes place in a tavern accessible only on foot, where the journey is celebrated with live Cretan music and shared stories.
