Malta is a MICE destination that blends Mediterranean charm with a millennia-old historical heritage and impressive organizational prowess. At the crossroads of Europe, North Africa, and the Middle East, the archipelago offers a rich cultural landscape, warm year-round light, and scenery ranging from ancient fortified cities to cliffs overlooking the sea. It is the ideal destination for events that seek to break the mold, stimulate new thinking, and leave a lasting impression.

INCENTIVES AND TEAM BUILDING BETWEEN STONE, SEA, AND MEMORY

Boat tours to hidden coves, jeep tours in Gozo, private dinners among the medieval bastions of Mdina, or team-building activities in baroque locations: every experience in Malta blends beauty and substance. Workshops at historic sites, kayaking excursions through sea caves, workshops with local artisans, and aperitifs along the alleys of Valletta or in the hidden courtyards of noble palaces create authentic connections and stimulate lateral thinking. The island's strong and welcoming identity makes every encounter memorable.

MALTA: BETWEEN STONES, SEA, AND VISIONS

ITINERARY – INTEGRATED MICE

DAY 1 – VALLETTA: THE LIMESTONE ELEGANCE OF THE CAPITAL

The arrival is bathed in the golden light of the walls of **Valletta**, a vibrant and refined capital city, perfect for a start. After checking into a boutique hotel with a rooftop sea view, the group meets in a conference room overlooking the harbor, featuring pale stone and impeccable technology. The afternoon is dedicated to a private walking tour of the bastions, secret staircases, hanging gardens, and contemporary art shops. At sunset, a networking cocktail aboard a yacht docked in the **Grand Harbour Marina** is followed by a creative dinner in a former convent transformed into a design restaurant.

DAY 2 – MDINA AND THE SILENCE THAT SPEAKS: STRATEGIC RETREATS IN THE SILENT CITY

After a leisurely breakfast, we depart for **Mdina**, the ancient walled capital. The silent city, with its timeless streets, hosts the team for a high-impact strategic work session in a historic residence converted into an events center. Here, amid centuries-old walls and hidden terraces, concentration and vision reign supreme. Lunch is served in a stately palazzo overlooking the countryside of Malta. In the afternoon, team coaching with local occupational psychologists takes place in an olive grove in **Rabat**. We return to **Valletta** for a free evening in the city center's creative wine bars.

DAY 3 – GOZO: THE OTHER ISLAND, BETWEEN ARCHES, RITUALS, AND RURAL INNOVATION

An early wake-up call and ferry transfer to **Gozo**, the greener and more authentic sister island. The group is welcomed by local staff and taken to an ancient farmhouse for a day immersed in nature and culture. In the morning, a collaborative workshop takes place at a regenerative farm, followed by a light, locally sourced lunch. The afternoon is dedicated to a team hike through salt pans, megalithic temples, and rugged coastlines. A highlight? A sunset aperitif among the cliffs of the Inland Sea. A convivial dinner with folk music in a private vineyard.

DAY 4 – BLUE GROTTO AND MARSAXLOKK: WATER RITUALS AND RELATIONSHIPS

Back in **Malta**, we set off for the south of the island. The morning begins with a relaxing stroll and gentle team building among the crystal-clear waters of the **Blue Grotto**, including a private boat excursion. After a light brunch by the sea, the group moves to **Marsaxlokk**, a still authentic fishing village. Here, an experiential workshop on leadership and adaptability takes place, focusing on traditional fishing and teamwork. The day concludes with a slow dinner in a renovated lighthouse, entirely reserved for the occasion.

DAY 5 – URBAN REBIRTH AND FUTURE VISION IN BIRKIRKARA

The final day is dedicated to vision. The group meets in **Birkirkara**, an emerging hub of Malta's new creative scene, where they meet local startups, designers, and changemakers for a roundtable discussion on sustainability and innovation in the Mediterranean. After brunch, the group moves on to an informal closing talk in a limestone quarry transformed into an art space. Between sculptures, installations, and moments of sharing, the journey concludes with renewed inspiration. Transfer to the airport in the late afternoon.
