

# DISCOVER NETHERLANDS

Visit a particular island with a fortress with a structure similar to Alcatraz, which was an ancient place of defense and merchant ships once anchored, see beautiful fields of heather similar to lavender fields in France surrounded by beautiful forests, explore a beautiful castle that used to be frequented by Elizabeth Taylor in the past, walk through a scenic night route with shimmering cobblestones in the concrete that absorb light during the day and become luminous at night, enter a fairy tale like village with beautiful thatched roof houses and canals, explore a mysterious and unusual monastery where you will be able to drink beer which is run by a particular order of monks. Finally, get to know the famous artist Van Gogh better.
