In this intimate and layered landscape, corporate events become meaningful experiences, capable of stimulating lateral thinking, empathetic connection, and authentic team spirit. The West Bank, still little explored by international MICE, surprises with its profound humanity and an atmosphere charged with meaning and possibility.

ACCESSIBILITY AND HOSPITALITY

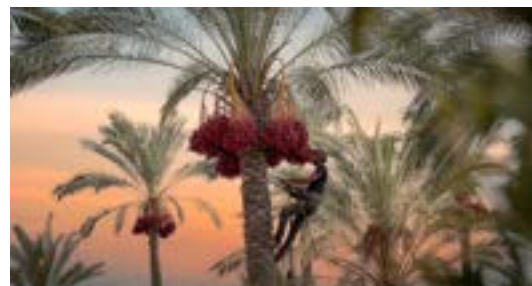

The West Bank is easily accessible from Tel Aviv (Ben Gurion) and Amman (Queen Alia) international airports, with land access from Israel and Jordan. PALESTINE - GAZA STRIP

BETWEEN SEA, RESILIENCE AND HUMAN INNOVATION

The Gaza Strip is one of the most complex and moving regions in the Mediterranean. Overlooking a sea that evokes freedom and yet confronted by profound challenges, Gaza surprises with its creative power, social dynamism, and human energy, which continues to generate cultural, artistic, and entrepreneurial projects. Here, where history intertwines with current events, MICE events take on a transformative value: not just meetings, but experiences that raise awareness, foster empathy, and open new visions. Organizing a business event in this region is an act of listening and collaboration, combining inspiration and social impact.

ACCESSIBILITY AND HOSPITALITY

Access to the Gaza Strip is regulated by specific corridors through the Erez (from Israel) or Rafah (from Egypt) crossings, requiring authorization and careful logistical coordination. However, for motivated MICE groups, professional visits or missions for cultural, educational, or cooperative purposes can be organized, thanks to the support of local operators and experienced NGOs. Gaza City and Khan Yunis offer modern hotels, conference spaces, cultural centers, and universities equipped to host workshops, seminars, and training programs. The hospitality is warm, proud, and profoundly human, and every detail is attended to with passion and respect.

EXPERIENCES THAT INSPIRE AND UNITE

MICE activities in Gaza are deeply engaging experiences. Workshops at cultural centers promoting art and innovation, meetings with local social and environmental startups, guided tours of the historic sites of Old Gaza, and traditional cooking workshops with local families offer direct contact with a vibrant and resilient community. Team-building sessions can be held on the fine sandy beaches, in collaboration with local initiatives that promote sport as a tool for peace and cohesion. For small groups, moments of discussion and participatory planning with local organizations transform into memorable experiences that leave a lasting impression.

BEYOND BORDERS: A JOURNEY OF CONNECTIONS, VISIONS, AND REBIRTH BETWEEN EARTH AND THE RED SEA

ITINERARY – INTEGRATED MICE

DAY 1 – HAIFA, JISR AZ-ZARQA, JEZREEL VALLEY: ROOTS AND VISIONS – THE POWER OF COEXISTENCE

The journey begins in **Haifa**, a city that bridges worlds, where Christians, Muslims, Jews, and Baha'is coexist in a powerfully symbolic urban setting. After a welcome breakfast in a cultural space overlooking the Baha'i gardens, the group travels to **JISR az-Zarqa**, Israel's only seaside Arab village, for an immersive experience at a community center run by young local entrepreneurs. After a shared lunch at the home of local families, the group heads to the **Jezreel Valley**, amid olive groves and rolling hills, for a sunset strategy workshop hosted on a biodynamic farm. The theme of the day is productive coexistence, between cultures, ecosystems, and perspectives.

DAY 2 – NAZARETH, NABLUS, SEBASTIA: MEMORY AND STORYTELLING – THE ART OF STORYTELLING TOGETHER

The second day is dedicated to exploring the meaning of identity and collective memory. We begin in **Nazareth**, with a walk led by local storytellers through artisan workshops and ancient caravanserais, before crossing the border into the **West Bank** and arriving in **Nablus**, one of the oldest cities in the world. Here, we visit an old soap factory and participate in an experiential intergenerational storytelling workshop with Palestinian artists. After a traditional lunch of knafeh and spices, we ascend to **Sebastia**, where, amidst Roman ruins and the tales of local custodians, a team-building session on intercultural communication takes place. In the evening, we enjoy a lantern-lit dinner among the olive trees.

DAY 3 – RAMALLAH, BETHLEHEM, TEKOA DESERT: DIALOGUE AND PERSPECTIVES – LEADERSHIP IN TRANSITION

The day begins in **Ramallah**, the administrative capital of Palestine, with a visit to the **Dar Zahran Heritage Building** for a breakfast meeting with local entrepreneurs. The tour continues to **Bethlehem** for a team coaching session in a former monastery, now a creative and cultural center. The afternoon is dedicated to strategic reflection: we head to the **Tekoa Desert**, where Bedouin tents and age-old silences host a workshop on leadership in uncertain contexts. The day concludes around a shared fire, with music played by local artists and Bible readings.

DAY 4 – EAST JERUSALEM, SILWAN, MOUNT OF OLIVES: IDENTITY AND COMPLEXITY – WORKING IN PLURALITY

The fourth day is dedicated to **East Jerusalem**, a point of convergence and conflict, memory and spirituality. It begins with an urban walk led by two parallel narratives—an Israeli and a Palestinian guide who narrate the city with intertwined voices. After a brainstorming session at a cultural hub in the **Silwan** neighborhood, the topics of conflict management and cultural negotiation are explored. We then ascend the **Mount of Olives** for a group activity in one of the lesser-known panoramic gardens, overlooking the entire Old City. The day concludes with an exclusive dinner in a private Armenian home, featuring storytelling and a tasting of reimagined traditional dishes.

DAY 5 – ARAVA, TIMNA, EILAT (RED SEA): REGENERATION AND HORIZONS – CLOSING DIVE

The final day is a journey of regeneration and a return to the essentials. We descend along the **Arava Valley**, stopping at **Timna Park**, a surreal landscape of stone columns and colored sands, for a closing session in the form of a "circle talk" in the shade of an ancient acacia tree. In the early afternoon, we arrive in **Eilat**, on the **Red Sea** coast, for a final experience: a guided dive or group snorkeling at the **Coral Beach Marine Reserve**, followed by a floating aperitif on a catamaran at sunset. It's time to integrate the journey, amidst lightheartedness, new insights, and a renewed sense of connection with oneself and the group. In the evening, a final dinner at an eco-lodge in the desert, with screenings under the stars and a toast to an experience that has brought together places, ideas, and people in a unique way.

ROOTS AND HORIZONS: A JOURNEY OF DISCOVERY, COLLABORATION, AND REBIRTH

ITINERARY – INTEGRATED MICE

In the afternoon, we reach **Acre**, an ancient city with Crusader and Ottoman heritage, where a cultural treasure hunt within its thousand-year-old walls engages participants in a fun and team-building experience. The evening concludes with a convivial dinner in a restaurant overlooking the harbor, amidst Mediterranean flavors and stories of the sea.

DAY 2 – RAMALLAH AND BETHLEHEM: URBAN CREATIVITY AND SPIRITUALITY

The second day begins with a visit to **Ramallah**, a vibrant artistic and cultural hub, where street art workshops and co-creation sessions are held to strengthen team spirit. After lunch, the group travels to **Bethlehem**, where they explore the traditional market and participate in a culinary challenge: creating traditional dishes as a team, guided by local chefs, fostering discussion and gastronomic innovation. The afternoon offers an immersive visit to the **Church of the Nativity**, with moments of reflection and intercultural dialogue in spaces that breathe history and faith.

DAY 3 – JUDEAN DESERT: SILENCE, NATURE, AND LEADERSHIP

In the morning, we'll transfer to the **Judean Desert**, where leadership workshops intertwine with mindful walks through lunar landscapes that evoke resilience and transformation. Storytelling sessions around the campfire at sunset foster shared experiences and deep connections. The day concludes in a luxury tented camp, where the tranquility of the desert welcomes moments of authentic and relaxed networking, far from the chaos of the city.

DAY 4 – EILAT AND THE RED SEA: ENERGY AND UNDERWATER REBIRTH

The fourth day takes the group to **Eilat**, to immerse themselves in the extraordinary biodiversity of the **Red Sea**. Snorkeling and guided diving experiences alternate with team-building sessions based on nonverbal communication, drawing inspiration from the underwater world. Lunch on the yacht fosters informal exchanges and new connections, while the afternoon features an environmental problem-solving challenge in marine protected areas. In the evening, an exclusive dinner on the beach creates a magical atmosphere as you watch the sunset.

DAY 5 – DEAD SEA: REBIRTH AND BALANCE

The final day is dedicated to the **Dead Sea**, where participants immerse themselves in the mineral-rich waters for physical and mental regeneration. This is followed by coaching and strategic planning sessions at a resort with a panoramic view, including therapeutic mud baths and moments of relaxation. The experience concludes with a symbolic outdoor ceremony, celebrating the results achieved and opening the horizons to new horizons, leaving a lasting impression on the group.
