

EXPLORE CENTRAL CALIFORNIA

NATURE, CULTURE, FUN

In this part of California you can see whales year-round, learn more about the endangered California condor, enjoy the beautiful seascape with a volcanic rock lighthouse dating back to 1889, visit a purple beach and another beach where you will be able to search for jade stones. You will also be able to admire a beautiful castle where Winston Churchill wrote a book against nazism, see a fun competition where the winner is whoever eats the most cakes with live music, and finally have fun in the oldest amusement park overlooking the sea dating back to 1907.
