JAPAN

SAIL BETWEEN SACRED ISLANDS, SECRET COASTS AND AGE-OLD HARMONIES

Sailing in Japan means discovering an intimate archipelago of over 6,800 islands stretching between the Pacific Ocean and the Sea of Japan, where sea and spirituality have intertwined for centuries. From north to south, Japan's coasts alternate historic ports, pristine bays, waterside shrines, and villages seemingly suspended in time. The sea has always been a vehicle for exchanges, legends, and rituals, and today it represents one of the most authentic keys to understanding the country's profound soul, beyond the large metropolises and the most popular tourist routes.

Choosing a boat, catamaran, or motoryacht in Japan means accessing places rarely reached by traditional tourism: ancient trade routes, volcanic islands, wind-sculpted cliffs, but also small ports where seafood cuisine is handed down unchanged and hospitality follows the codes of omotenashi. Cruises, increasingly popular, including cultural and boutique versions, allow you to leisurely traverse spectacular marine environments, dotted with floating torii gates, temples overlooking the blue, and artisan villages. In Japan, the sea is a silent and sacred traveling companion: a guide, mirror, and threshold to inner worlds and outer landscapes of rare harmony.

TRAVEL CATEGORIES

- HONEYMOONERS OR ANNIVERSARY COUPLES SEEKING HOT SPRINGS, CONTEMPLATIVE LANDSCAPES, AND A SENSE OF SPIRITUALITY
- SENIORS / OVER 65S ACTIVE AND PASSIONATE ABOUT VOLCANOES, ANCIENT TRADITIONS AND COASTAL CULTURES

- LOVERS OF PHOTOGRAPHY, SUSPENDED ATMOSPHERES AND RELIGIOUS ARCHITECTURE BY THE SEA

PRE-CRUISE EXPERIENCE

Three nights in **Kagoshima**, a city overlooking Sakurajima volcano, a living symbol of the profound connection between nature and spirituality in southern Japan. Stay in traditional ryokans with hot springs, enjoy cultural walks along the waterfront, and hikes up the active volcano. Visit the **Sengan-en** gardens, the former residence of the Shimazu samurai, and take part in Satsuma pottery and bamboo-working workshops. Free time alternates between shojin (Zen vegetarian) cuisine tastings and visits to local markets, where you can discover rare ingredients and age-old preservation techniques.

During the stay, the relationship between religion and nature is explored, from Shinto temples hidden in the vegetation to shrines built on cliffs. The pre-tour thus becomes an emotional and intellectual introduction to the cultural heart of the southern archipelago, connecting places and inherited stories. This in-depth preparation creates resonance with the experience at sea, where each island will be a living extension of what has already been sensed on land.

REASONS TO GO

The cruise begins in **Kagoshima** and visits islands such as **Yakushima**, a UNESCO World Heritage Site for its ancient forests, and **Tanegashima**, linked to the first contact with the Western world. It continues towards the **Amami** archipelago, with its coral sand beaches and **Ryukyu** villages, where you can listen to ancestral music and meet fishermen who preserve oral traditions. The voyage alternates extreme nature with pervasive spirituality: each landing is a place where time seems suspended and where the element of water is the protagonist of rituals, daily life, and mythology.

On board, local guides and scholars offer in-depth sessions on Japan's sacred geography, the islands' cultural heritage, and the environmental challenges these ecosystems face. The cruise concludes near **Okinawa**, exploring secluded coves and beaches accessible only by sea. An experience that invites contemplation and listening, ideal for those seeking a profound connection with nature, culture, and the silent beauty of places that speak softly yet leave their mark.

Stay in a ryokan in the **Higashi Chaya** district, among teahouses and gold leaf craft shops. Visit **Kenroku-en Garden**, **Kanazawa Castle**, and the 21st Century **Museum of Contemporary Art**. Guided tours include the **Omicho Market**, the **Nagamachi** samurai residences, and the **Kutani** ceramic workshops.

During your stay, you can participate in silk painting workshops, tea ceremonies led by local masters, and themed itineraries related to Noh theater, a cultural heritage of western Japan. Days pass slowly amidst wooden architecture, glimpses of waterways, and suspended atmospheres, in a perfect balance between contemplation and learning. Evenings conclude with Kaiseki cuisine tastings, featuring raw fish, rare seaweed, and sake from the surrounding mountain regions. An authentic and refined immersion in classical Japanese culture, paving the way for an equally elegant and profound maritime journey.

REASONS TO GO

The cruise begins from the port of **Kanazawa** and follows the **Sea of Japan** coast north, stopping at small ports like **Wajima**, famous for its lacquerware, and **Notojima**, nestled in a coastal agricultural landscape where bonfire fishing is still practiced. On board, you'll meet crafts and folklore experts, while on land you'll visit historic villages, fish markets, and coastal shrines. You'll also stop at **Sado Island**, renowned for its history of exile and spirituality, where you'll participate in a taiko drum ceremony with Kodo masters.

Each stop is an opportunity to listen to local stories, admire ever-changing landscapes, and rediscover the connection between folk art and nature. You'll sail along a coast that retains the charm of ancient trade routes and maritime crafts, today protected by proud and resilient communities. Sunsets over the Sea of Japan, morning mists, and rocky bays offer photographic and meditative vistas of rare intensity. An ideal journey for those seeking a balance between silence and storytelling, between discreet beauty and cultural depth, exploring a side of Japan still far from mass tourism.
