

# UNITED STATES EXPLORE GREAT PLAINS

This region in the USA offers various attractions in terms of culture, nature, fun and entertainment.

As for nature, you can visit a park with one of the most numerous herds of bison in the wild in the world, with about 1500 specimens. If you are interested in culture, you can visit the starting point of the famous expedition of the explorers Lewis & Clark, concerning the Northwest Passage, get to know the places where the writer Mark Twain lived and had inspiration for the characters of *Tom Sawyer* and *Huckleberry Finn*, visit a city that used to be a fur trading station famous for easy divorces and which has the name of the founder of an important US bank, admire the largest place in the USA where fossil remains of mammoths have been found. Finally, as for fun and entertainment, a beautiful amusement park by a lake dating back to 1880 with one of the oldest wooden roller coasters in the world and a city known for its many fountains, jazz music and delicious barbecue cuisine.
