TRAVEL ANCILLARY SERVICES

In the following pages you can examine the ancillary services we offer. They will be able to allow you to significantly reduce all the reasons for stress to enjoy a worry-free travel.

PRIORITY CHECK-IN AND CHECKED BAGGAGE

Bid farewell to lengthy check-in queues! With our priority check-in service, you can swiftly obtain your boarding pass and check in your baggage. We are consistently prepared to provide this option, contingent upon airline availability, to enhance your travel experience, whether you are flying in premium or economy class. **Do not squander time; opt for comfort!**

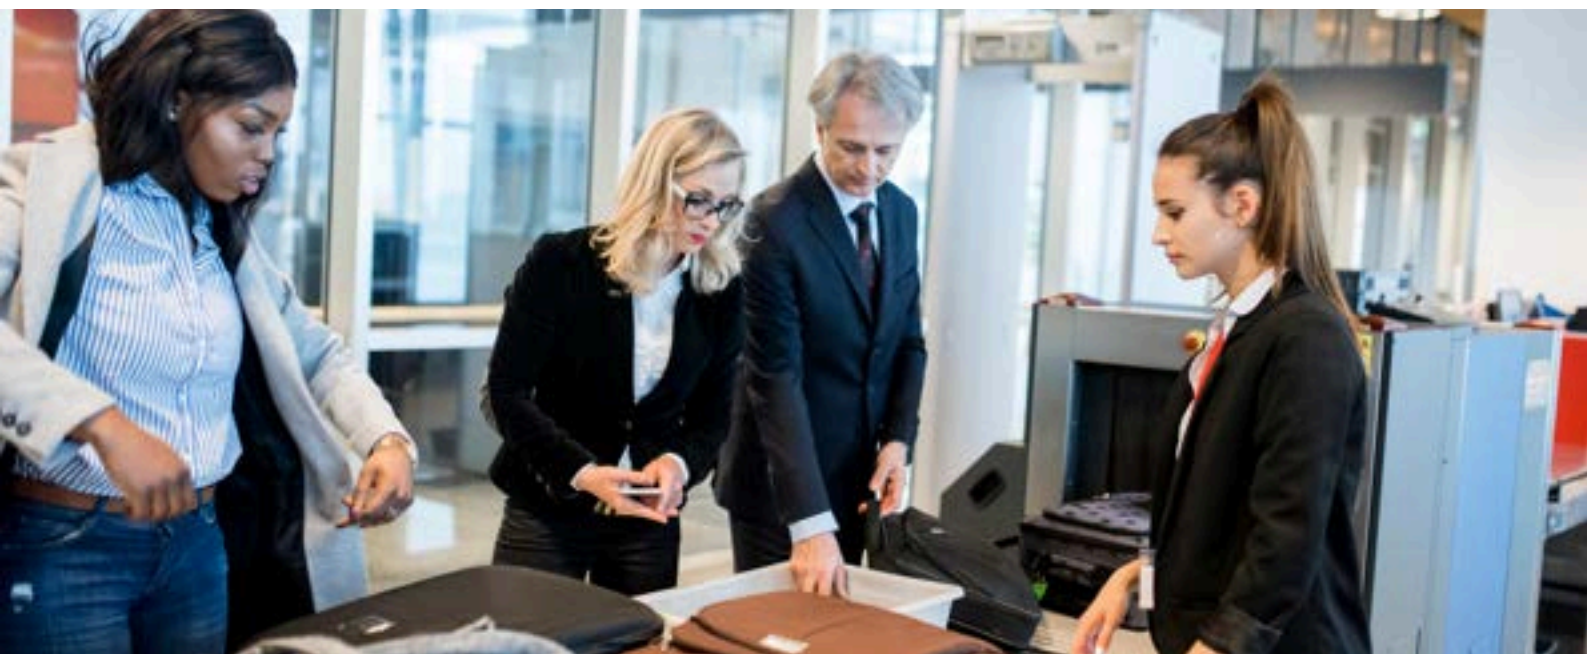

NO QUEUES AT THE AIRPORT WITH THE FAST TRACK SERVICE

We understand the frustration of enduring lengthy waits at airport security. Therefore, we consistently incorporate fast track access into our travel packages, allowing you to bypass the queue and enjoy a stress-free experience.

The service is contingent upon the availability at each airport, thus we cannot assure its constant accessibility. Nevertheless, we are pleased to announce that it has been implemented in the majority of the airports we utilize. **Seize this opportunity!**

COMFORT IN AIRPORT LOUNGES

Once reserved solely for business and first-class passengers, airport lounges are now available to travelers in other classes as well. We provide the highest level of comfort and luxury to ensure your airport experience is memorable. In our travel packages, we consistently strive to include access to these exclusive areas at both departure and arrival points (subject to airport and airline availability). Relax, indulge in culinary delights, savor fine beverages, and enjoy refreshing showers, all within elegant and tranquil settings. **Seize this exceptional opportunity!**

NORTH ATLANTIC GREENLAND

WHY VISIT

Extraordinary island located in the extreme north of the Atlantic Ocean between Canada to the southwest, Iceland to the southeast, the Arctic and the Arctic Ocean to the north. It is the largest island on the planet and at the same time less densely populated.

Greenland was first explored by Viking navigators during the 10th century AD and was occupied by the Danes in 1380.

Today, the island has effective self-government, although the Head of State is still the Queen of Denmark.

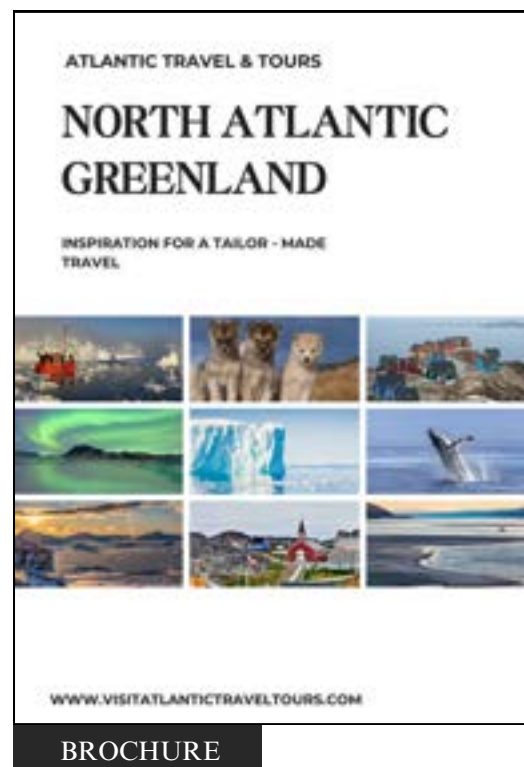

It has deposits of cryolite and lignite. After the Second World War, it played an important role in weather forecasting and in controlling the routes that cross the North Atlantic and the Arctic Ocean. The local populations of Eskimos (Inuit), live in small villages located mainly along the western coasts.

NORTH EUROPE

UNITED KINGDOM

WHY VISIT

An island nation in Western Europe surrounded by the North Sea to the east, the English Channel to the south and the Atlantic Ocean to the west. It was the first state in the world to be industrialized and to have exercised great influence on many countries over the past centuries with its colonialism. It has a diverse Anglo-Saxon, Norman, Caribbean and Asian population. The country is rich in reserves of coal, gas and oil. It owns many banks, insurance companies and financial services.

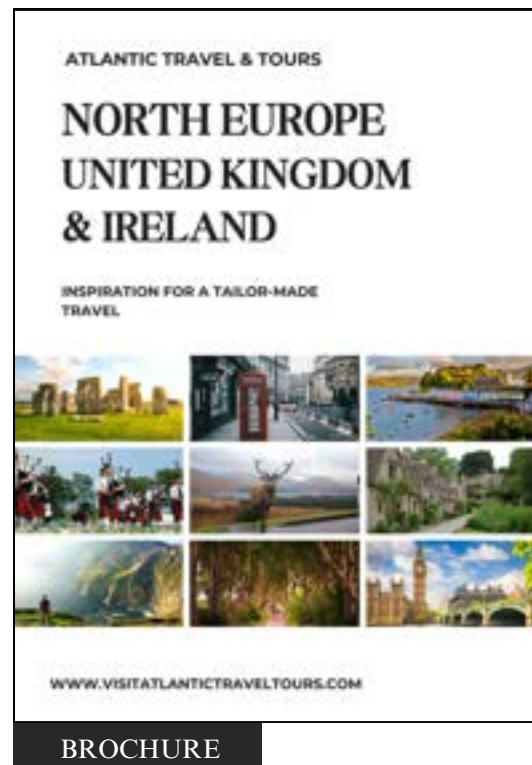

The culture of the United Kingdom has been influenced by several factors, among which the nation's island status stands out; its Western liberal democratic history and a major power, as well as from being a political union of four countries each with different elements and independent traditions and home to leading scientists and popular musical styles.

NORTH EUROPE

SWEDEN

WHY VISIT

This nation borders Norway to the west and Finland to the northeast. The country's boundaries include the Baltic Sea and the Gulf of Bothnia to the east and the Skagerrak and Kattegat straits to the southwest. The internal territory is mostly occupied by forests. Sweden has over 220,000 islands, more than any other country in the world. Originally inhabited by the Vikings, it was later under Danish power and later gained independence in 1523.

Currently, the city boasts the longest art gallery in the world, located on the Stockholm Metro, which was built around the 1950s. Even the Vasa Museum gives the place a not indifferent historical cultural heritage, in particular because it exhibits the remains of the Vasa ship recovered a few years after the construction of the metro and is rich in historical value.

INDIAN OCEAN

ZANZIBAR

WHY VISIT

Archipelago located in the Indian Ocean. Originally, the insular territory was inhabited by Bantu coming from the coast who began to cultivate the land and work iron, always organized in villages and clans. It was later a central point for Arab and Persian trade, whose routes linked the Middle East to India and China. Subsequently, these islands were under Portuguese, the Sultanate of Oman and British rule until independence in the last century.

The islands have a sad historical past associated with the collection and sale of all slaves from East Africa, captured on the continent and brought to Zanzibar to be placed on the colony market.

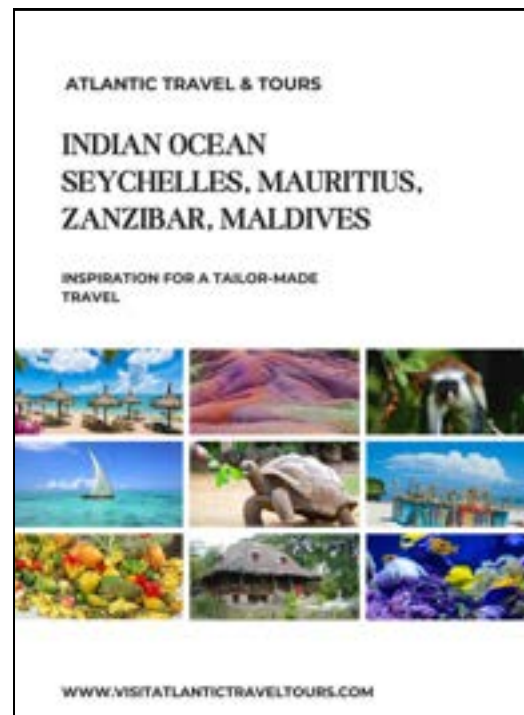

Its characteristic aspects are the long stretches of very thin and very white sand, the waters are crystal clear and the color of the sea varies according to the area and reaches dazzling shades, the streets smell of spices and, finally, the population is smiling and welcoming.

MIDDLE EAST UNITED ARAB EMIRATES

WHY VISIT

The nation has a total of 7 emirates, borders Oman to the southeast, Saudi Arabia to the southwest, and the Persian Gulf to the north. Initially, there were nothing but small villages dedicated to agriculture and pastoralism.

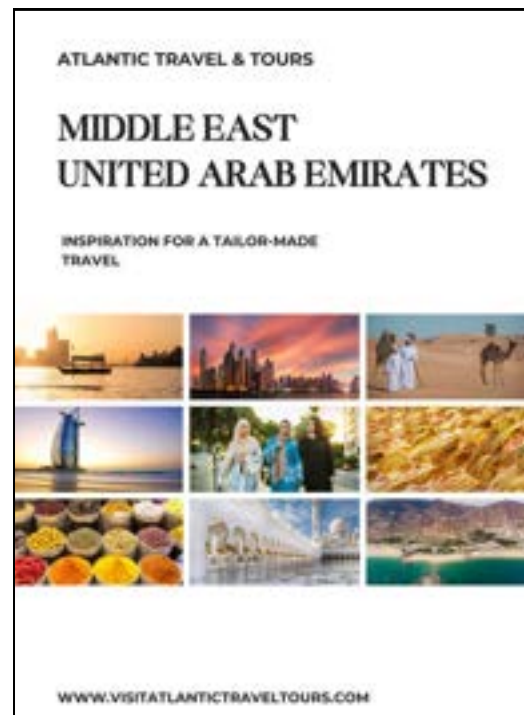

Subsequently, Greeks, Persians and Muslims exercised their control. The first Bedouin settlements, after the advent of Islam, took root in these places to slowly build what are now the great cities of Abu Dhabi and Dubai. Finally, the emirates were formed and great economic development arrived with the discovery of oil fields. It is interesting to learn more about the local Arab culture in the typical neighborhoods and mosques.

OCEANIA

A U S T R A L I A

WHY VISIT

The country is surrounded by the Indian Ocean to the west and south, and the Pacific to the east.

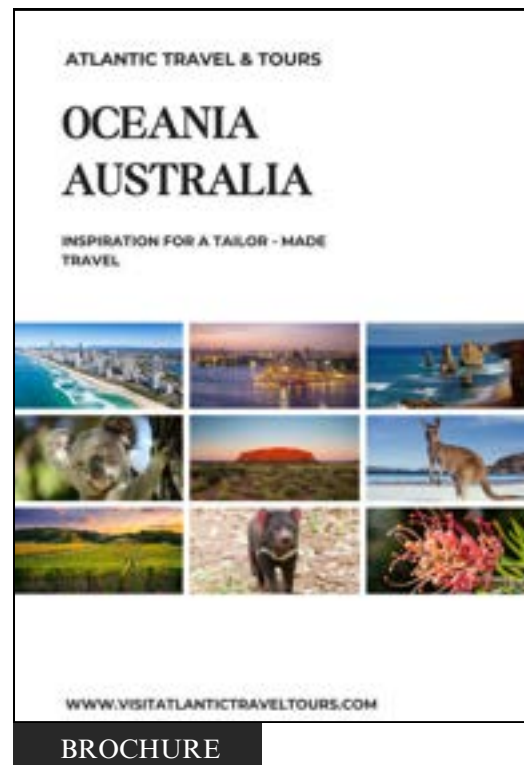

The Portuguese Cristóvão de Mendonça discovered Australia in 1522 and following this event the country was subject to British colonialism around 1770, which caused the death of many local aboriginal populations due to the diseases brought by the Europeans. At the beginning of the last century, it became independent. Its culture relates to the customs and traditions of the aborigines but is otherwise typically Occidental.

OCEANIA

FRENCH POLYNESIA

WHY VISIT

This country has a total of 118 islands divided into 5 archipelagos in the South Pacific Ocean. Politically, the islands of French Polynesia were divided into small kingdoms where English and French colonizers tried to seize the territory.

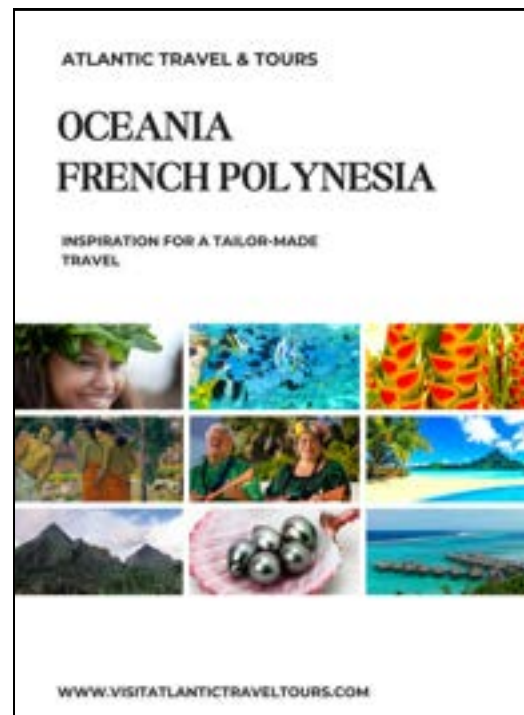

One of the most beautiful places in the world for the perfection and spectacular nature of the landscapes. The interior of the islands is rich in forests and spectacular waterfalls. The beaches and the sea are idyllic. Particularly suggestive are the shows associated with local traditions, such as the one where the men perform the fire dance and the women in straw skirts dance the tamurè and everyone sings choirs at the end.
